**Notice:**

1. A course with its student enrollment number **less than 3 graduate students will be cancelled.**
2. **Graduate students may enroll for a maximum of 17 credits per semester.** Course loads of greater than 17 credits must be approved by the Director of GBP. If you wish to exceed this limit, please go to the GBP office on the first day of the semester for assistance with manual course enrollment, along with your course selection query/confirmation form (選課查對表) to apply. However, the maximum credits you can enroll will be decided by the Office of Academic Affairs.
3. To graduate, students have to earn a total of 42 credits.
  - \*Students admitted before 115th academic year (2026-27) must complete 21 mandatory credits and 21 elective credits.
  - \*Students admitted in or after 115th academic year (2026-27) are required to complete 18 mandatory credits and 24 elective credits.
4. **For the students admitted before 115th academic year (2026-27), "Management Information System" is a required course. Please be sure to enroll it this semester if you haven't taken it yet.**
